## KINGSVILLE.

It is a great affliction for a woman to have her face disfigured by pimples or any form of eruptive disease. It makes her morbid and sensitive, and robs her of social enjoyment. Disfiguring eruptions are caused by impure blood, and are entirely cured by the great blood-purifying medicine—Dr. Pierce's Golden Medical Discovery. It removes from the blood the poisonous impurities which cause disease. It perfectly and permanently cures scrofulous sores, eczema, tetter, boils, pimples and other eruptive diseases which are caused by the impurity. It increases the action of the blood-making glands and thus increases the supply of pure rich blood. "For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 116 West Main Street, Baltimore, Md. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery." The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

## Democratic Primary May 9th, 1903.

VOTE FOR..

We note that our young friend, J. M. Alverson, of Stanford, has announced his candidacy for the democratic nomination for Representative of Lincoln county in the Legislature. Mr. Alverson is a dyed-in-the-wool democrat of the 100-proof kind and a fearless and valiant worker for the party, who has bared his breast to many political storms. A fine newspaper man, he is a born politician and if elected will be a credit to Lincoln's splendid and fighting democracy.—Shelbyville Sentinel.

J. M. Alverson is announced for the Legislature in the county of Lincoln, and from a personal acquaintance and his well established reputation for ability, morals, business and newspaper qualifications the Lincoln democrats might search their towns, villages and knobs and could not do better than nominate and elect Mr. Alverson to represent them and our State in the Legislature. We understand that he is popular with the masses, and here's hoping Lincoln will go for him en masse.—Harrodsburg Democrat.

## JESSE M. ALVERSON,

Who was not born running for the Legislature and, unlike his opponent, does not want the office for life,

White of this county; two children, Hugh S. and George J. were born of this marriage. All that loving hearts and willing hands could do was done for her. She is now with the loved ones, who were waiting to welcome her to her heavenly throne.

"I FAVOR the building of a good court-house, one that we may look on with pride," said Mr. L. G. Gooch, of Waynesburg, to an I. J. reporter yesterday. Mr. Gooch is one of the big tax payers of the county and is not fearful that the rate of taxation will be increased in order to build a decent court-house.

THE Wilmore Times contains a good picture of V. G. Mullikin and two of his famous bloodhounds that located a fugitive in Clay county 44 hours after the trail had been made. During last year Mr. Mullikin made 124 successful captures with his bloodhounds. Sheriff M. S. Baughman has several pups from Mr. Mullikin's breed of hounds.

FOLKS UP WILLOW CREEK.—The popular comedian, Frank S. Davidson, with a superb company of actors, will present the great rural comedy, "Folks Up Willow Creek," at Walton's Opera House Tuesday evening, April 28. Mr. Davidson has appeared here three times and is too well known to make comment necessary. He is an exceedingly clever gentleman and is good company on the stage or off it. The management is not afraid to guarantee his entertainment and will cheerfully refund the money to any one who sees the play and is not pleased with it.

"No man was ever treated better than I was at Hustonville," remarked Hon. Henry M. Bosworth, candidate for State treasurer, to us when he was here Wednesday. "I went to that place and met my good friend, Geo. Weatherford, who hooked up a couple of his fast horses and took me to Liberty. He introduced me to hundreds of democrats and brought me back to his hotel, where I spent the night. Next morning at leaving time I asked for my bill and to my utter surprise he told me it had been paid. Who paid it, said I? Your friends here don't charge you a copper for anything you want and we insist that you don't fail to come back again." Mr. Bosworth was greatly gratified at the clever treatment and told the writer that he almost felt like quitting his race and making his home with the good people at the West End capital.

BOSWORTH HERE.—Hon. Henry M. Bosworth, who captured Caleb Powers and refused the \$1,500 reward offered for him, was here Wednesday shaking hands with friends, old and new. Mr. Bosworth lives at Lexington and he bears the distinction of making Fayette county one of the very best sheriffs it ever had. He is now a candidate for State treasurer and unless all signs fail he will be the democratic nominee for that office. No candidate ever met with warmer reception than he is receiving wherever he goes. Democrats recognize in him, a fine gentleman and one who would make a most excellent standard bearer and they are going to cast their votes for him as sure as the primary of May 10th comes off. Mr. Bosworth has a strong following in Lincoln and here's hoping that he will carry the county by an overwhelming majority.

HON. ABRAHAM BENICK, candidate for lieutenant governor, and N. B. Hayes, for attorney general, spoke to a fair-sized audience at the court-house last night after having been introduced by Hon. M. F. North. Both gentlemen did credit to their cause but the effort of Mr. Hayes was especially good and we regret that we haven't the space to make a more extended mention of his logical and interesting talk.

SUPERB SCENERY.—One thousand square yards of special scenery, all on a magnificent scale and adjustable to any sized stage, is carried by the Frank Davidson company, who will appear at Walton's Opera House on Tuesday evening next. This assures absolute scenic perfection to "The Folks Up Willow Creek," and will virtually make an entire stage in our opera house, all of the stock scenery being removed. Such a display of mechanical effects was never before attempted, and is well worth seeing. Prices 25, 35 and 50 cents. Get reserved seats at McRoberts' drug store.

THE ladies of the Christian church of Hustonville will give an entertainment at their church on Friday evening, May 1st, the proceeds to go to the church.

Your friends here don't charge you a copper for anything you want and we insist that you don't fail to come back again." Mr. Bosworth was greatly gratified at the clever treatment and told the writer that he almost felt like quitting his race and making his home with the good people at the West End capital.

BOSWORTH HERE.—Hon. Henry M. Bosworth, who captured Caleb Powers and refused the \$1,500 reward offered for him, was here Wednesday shaking hands with friends, old and new. Mr. Bosworth lives at Lexington and he bears the distinction of making Fayette county one of the very best sheriffs it ever had. He is now a candidate for State treasurer and unless all signs fail he will be the democratic nominee for that office. No candidate ever met with warmer reception than he is receiving wherever he goes. Democrats recognize in him, a fine gentleman and one who would make a most excellent standard bearer and they are going to cast their votes for him as sure as the primary of May 10th comes off. Mr. Bosworth has a strong following in Lincoln and here's hoping that he will carry the county by an overwhelming majority.

THE county committee will meet to-day to select officers to hold the primary of May 10. It will appoint only good men and true for the important business they are to do. This is the last day for entering the races for representative and circuit clerk. The announced candidates are Hon. M. F. North and Mr. J. M. Alverson for representative, while Mr. James F. Holman has a walk-over for the democratic nomination for circuit clerk.

FOLKS UP WILLOW CREEK.—The popular comedian, Frank S. Davidson, with a superb company of actors, will present the great rural comedy, "Folks Up Willow Creek," at Walton's Opera House Tuesday evening, April 28. Mr. Davidson has appeared here three times and is too well known to make comment necessary. He is an exceedingly clever gentleman and is good company on the stage or off it. The management is not afraid to guarantee his entertainment and will cheerfully refund the money to any one who sees the play and is not pleased with it.

"No man was ever treated better than I was at Hustonville," remarked Hon. Henry M. Bosworth, candidate for State treasurer, to us when he was here Wednesday. "I went to that place and met my good friend, Geo. Weatherford, who hooked up a couple of his fast horses and took me to Liberty. He introduced me to hundreds of democrats and brought me back to his hotel, where I spent the night. Next morning at leaving time I asked for my bill and to my utter surprise he told me it had been paid. Who paid it, said I? Your friends here don't charge you a copper for anything you want and we insist that you don't fail to come back again."
